DESIGNER RADIATOR

2 Years Guarantee

Material: Aluminium

The Aron Smart Electric Radiator is a cutting-edge heating solution designed for efficiency and convenience. Manufactured from aluminium with a ceramic core, it retains heat even when turned off, ensuring optimal warmth. Its eco-friendly standby mode consumes just 1 watt of power, making it energy-efficient. Available in white or black, it features a sleek LCD display, open window detection, and a child lock for added safety. With WiFi connectivity, Google Home & Alexa voice control, and the Smart Life app for Android & iOS, it offers seamless smart home integration.
