DESIGNER RADIATOR

2 Years Guarantee

Material: Stainless Steel

The Pelmo Electric Radiator is a striking choice for any interior, combining sleek sophistication with contemporary elegance. Its innovative design makes a bold statement, unlike any traditional radiator. Expertly crafted from premium-quality stainless steel, it delivers outstanding heat output with exceptional efficiency. With compact dimensions of 1500mm in height and just 200mm in width, this radiator is ideal for narrow spaces, providing both style and functionality.
